

PAYROLL ADMINISTRATOR

Our Finance team is growing. Our well-established, family-owned, construction company is seeking a full-time Payroll Administrator role to primarily support and oversight of GBI's payroll function of the finance team. The ideal candidate would have knowledge of general accepted accounting principles, payroll (union and non-union) processing, be extremely detail oriented, organized, consistent, accountable, able to prioritize, dependable, able to display common sense use of judgement, strong communication skills, and be comfortable processing and juggling multiple tasks. This position reports to the Payroll Manager.

If you like being part of a fast-paced, dedicated team that is crucial to the business this role is for you. This Finance team orchestrates all the accounting functions of a general engineering heavy civil construction company, and this role has growth potential. Each person on this team of 15 play a critical role in moving the company forward and meeting our company goals.

The vision of the organization is to build great projects for the community in which we live and work, while giving back to the community and treating each other with respect. These values go back to our founder's philosophy that were set in 1914 and have been the foundation to our success through the generations. The Finance team partners with our other departments and all of our 350 employees to deliver legendary results to the community that we live and work.

This role in the company has great room for training, growth, and advancement in the department and company. If you are a motivated, positive, and engaging team member that wants to have a purpose and make a difference in a family-based company, apply today.
